Total Credits		<u>\$430.23</u>

Respectfully submitted,
Marion L. Varney
Tax Collector

PLANNING BOARD REPORT

The Planning Board met every three months on the third Monday. We also had a special meeting on November 16 with the buyers for the Fish property who wanted to rent rooms. As the Land Use Ordinance states no new business in town, we turned them down.

Respectfully submitted,
Gloria Amsden, Secretary

SCHOOL REPORT

Hart's Location is an unorganized town which means that it has no school district. Children of school age in unorganized towns go to school in towns which do have school districts. The State's Department of Revenue Administration is responsible for setting the school tax rate for unorganized towns and for collecting the tax. This year the rate was \$2.71 per \$1000.00.

This year there are three students attending school from Hart's Location, all at Kennett High in Conway.

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 STATISTICS

	<u>State - NH</u>	<u>District-8</u>	<u>City/Town -Hart's Location</u>
No. of Fires	391	9	0
No. of Acres	161 3/4	20	0
